

January 10, 2021

To our valued customers,

We have unfortunately made the very difficult decision to close our doors in 2021. We would like to thank you for your support over the years, we truly are grateful that we were able to serve this community for 8 years.

We will be running a sale to sell all our stock over the next couple of months. The cut off date to start a wine kit in store will be January 30, 2021. We will not be ordering in any more kits, so it will be in stock wine kits only.

If you have wine being made with us, or plan to make wine before our cut off date, we ensure that you will be able to bottle it before we close. We will be contacting customers with wine ready to set up bottling dates. With the lockdown in place, please be patient with us as we try and schedule appointments.

It has been a great pleasure working with all of you and thank you again for all your support over the years.

If you have any questions or concerns please direct them to me, Kelly, at info@winekitzwaterloo.com

Best wishes,

Kelly Darlington
